CPD Overview

Exitile Access Ltd have a long history in the manufacture of a wide range of market leading Metal, Plasterboard & Tiled access panels and riser doors to suit all types of ceiling and wall systems.

Our panels are designed to allow easy entry into ceiling voids and cavities where services, controls etc, need to be readily available for maintenance or emergency procedures.

We understand not all projects are straight forward, please get in touch with our technical team to find your perfect access solution
